EXPERIENCE

Family Law, Forensic Accounting and Business Valuation

- Provided expert witness testimony in the State of Colorado for family law cases
- Planned, implemented, and executed the first statutory independent investigation of a licensed cannabis business for the Attorney General's Office of the State of Colorado and the State licensing authority
- Performed and supervised asset tracing assignments in order to conclude on the use and location of both marital and separate property monies and assets
- Analyzed and processed both business and personal records in order to determine income available to pay spousal and child support
- Applied multiple business valuation approaches and methodologies in order to conclude on the values of a variety of business entities
- Calculated and analyzed the character of equity compensation awards, determined award character and performed related tracings of proceeds from the sale of any award

Audit, Attestation and Corporate Reporting

- Planned and supervised audit engagements for clients in industries as diverse as financial services, biotech, not-for-profit, manufacturing, growth technology and gaming and gambling
- Assisted clients in accounting for and recording complex accounting transactions, including complex equity and debt financing arrangements, revenue recognition contracts and stock based compensation
- Prepared annual financial statements for submission to senior management, board of directors and financial institutions
- Supported the periodic filing process with the SEC through the preparation, analysis and review of data included in the 10-K and 10-Q filings
- Assisted in the identification of key accounting issues and performed related research in order to coordinate worldwide implementation and GAAP compliance

EDUCATION

University of San Diego, San Diego, California. Bachelor of Accountancy, Emphasis in Finance and Real Estate, 2005.
